Dear Mr. Clark:

This letter is in regard to your proposal to develop the Big Hollow Wetland Mitigation Bank in Sauk County, Wisconsin.

The public notice period soliciting comments on your wetland bank proposal ended on May 10, 2016. The comments we received during the public notice period are attached to this letter. We are currently evaluating your proposal to determine the potential for the site to successfully provide compensatory mitigation for activities authorized by Department of the Army permits. Once we complete this evaluation we will transmit our initial determination to you.

If you have any questions, please contact Kerrie J. Hauser in our La Crescent Office at (651) 290-5903. In any correspondence or inquiries, please refer to the Regulatory number shown above.

Sincerely,

Todd Vesperman
Chief, Southeast Section
